Costs of Most Common Behavioral Health Services - Transparency in Health Care Prices Act

Community health centers offer service to all individuals regardless of insurance status or ability to pay. Patients in households with incomes below 200% of the Federal Poverty Level (FPL) receive discounts on a sliding fee scale. Patients with incomes less than 100% FPL pay a nominal fee.

Below are some of the most common services provided. The costs below represent the cost of services for self-pay patients and do not take into account any coverage from Medicaid, Medicare, or private health insurance. Contact us if you would like help enrolling in health insurance coverage.

Current Procedural Terminology (CPT) Code	Service Description	Self-Pay Costs
